JEFFERSON CIRCUIT COURT LOUISVILLE, KENTUCKY; MILLARD D. GRUBBS - VICTIM CIVIL RIGHTS

By letter dated August 17, 1966, Ernest W. Rivers, U. S. Attorney, Western District of Kentucky, furnished a letter from Millard D. Grubbs dated August 11, 1966, to Mr. Rivers. This letter enclosed a copy of the letter also dated August 11, 1966, to Mr. Elmer N. Carrell, Clerk, Jefferson Circuit Court, Louisville, Kentucky.

The letter from Mr. Grubbs to Mr. Rivers is quoted as follows:

"I enclose herewith a copy of my letter dated today addressed to the Clerk of the Jefferson Circuit Court relative to the unlawful conversion of funds deposited with said clerk as cash bail bonds.

Hon. Martin R. Glenn, Clerk of the U. S. District Court here has the record of a removal proceeding in this matter that is now pending upon appeal before the U. S. Circuit Court of Appeals for the Sixth Circuit, in which Hon. William J. Dammarell, former U. S. District Attorney, Cincinnati, is representing the movants-appellants in said case.

b7C

I am informed by FBI here that he has given copies of pleadings and steps in this matter to your office, and therefore, I assume that you are in some respect acquainted with the case.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

14-28247 HV

I have a copy of the official transcript of evidence in a trial held on January 24, 1966, in the Jefferson Circuit Court, before Judge, J. Miles Pound, which had jurisdiction of the case, as it was still exclusively within the Federal Courts on appeal from an order to remand, issued by Judge Henry L. Brooks. The appeal was taken pursuant to Subsection (D) of Section 1447 Title 28 U. S. C. The stay of state court proceedings in such case is not by judicial order, but is under the mandate of the statute itself and contained in Section 1446 (E).

The importance of this matter and the seriousness of the denials of our civil and constitutional rights causes me to write you for an appointment in which I can discuss with you the Federal Laws with relation to the admitted facts in this affair.

I will appreciate hearing from you at once with a date of appointment."

Mr. Grubbs' letter to Mr. Elmer N. Carrell is quoted as follows:

"On February 4, 1965, as Chairman of the National Law Enforcement Committee, I deposited with your office, the sum of Twenty Five Hundred (2500) Dollars, as bail in the amounts of \$500.00 each for the five defendants named in indictment number 129896.

On January 25, 1966, these appearance bonds were no longer needed and the liability under them ceased and it was your official duty to have refunded the \$2500.00 to me. In an effort to keep from discharging faithfully your official duty as clerk, you have resorted to falsehood, fraud, subterfuge and an attempt to absorb as much of this cash bond deposit by claiming illegal and fictitious costs in the case and striving to apply this bond deposit money on such illegitimate claims in order to convert to your own use and benefit or to the use and benefit of others the funds of this cash deposit. On February 28, 1966, you finally gave checks totaling \$1629.60 to Mr. Jack M. Lowery, my Attorney here, and keeping under said fictitious and unlawful claims, the sum of \$870.40 which you have unlawfully converted, all of which you have done under color of law in participating in and in aid of carrying out the

corrupt criminal plot to 'PROTECT H. A. LEWIS, DIRECTOR OF REAL ESTATE FOR THE URBAN RENEWAL AGENCY OF LOUISVILLE, 'AND TO 'GET MR. MILLARD D. GRUBBS - CHAIRMAN OF THE NATIONAL LAW ENFORCEMENT COMMITTEE' because of his unyielding loyalty and devotion to the government and laws of our ancestors.

In your avid and energetic promotion of the Hellish plot to 'Get Mr. Grubbs' by using public power to deny him all of his constitutional and civil rights, the following is a partial and impressive list of the violations of solemn official oath and the betrayal of sacred public trust of acts which have eventuated.

- (I) The receipts you gave for the said cash deposit were on the printed forms of former Clerk of the Court, Mr. John R. Hennessy, and your name did not appear thereon.
- (II) The said receipts were given in the names of the defendants themselves for whose release the said money was deposited by me, and you and all your deputies connected with the deposit of the cash amount of $$\pm 2500.00$ saw me hand Mr. John T. Gover the cash for each of said bonds and well knew I was the one putting up the money.
- (III) A motion for a rule against you was filed in April, 1965, to compel you to correct said improper receipts, and your evil intentions in the matter came to the surface when you refused to correct said mistake and resisted the motion by influencing the extremely hostile Judge, J. Miles Pound, to keep a hearing from taking place on the motion by passing it to another day and on and on.

b7C (IV) had to 'Read the riot act' to force you to refund her \$2,000.00 in cash she deposited in connection with this fraud and frame-up.

In letter in reply to my notice to you relative to this matter, your Mr. McKinowey wrote advising that the cash deposit fund would be returned to this committee when the cases were over.

On February 28, 1966, you gave to Mr. Jack M. Lowery, my attorney here, checks totaling \$1629.60, and you have thus converted to your own use and benefit, or to the use and benefit of others, the sum of \$870.40, and you have done the above unlawful acts in participation of the bold and boastfully

expressed plan to 'Protect H. A. Lewis, Director of Real Estate for the Urban kenewal Agency here,' and to do so by 'Getting Mr. Millard D. Grubbs,' by the denial of civil and constitutional rights secured him by the Constitution and laws of the U. S.

I hereby demand that you mail check for the balance due me from said cash deposit above stated.

	Re Louisville letter 4-12-66.	
	On 9-15-66, victim GRUBBS voluntarily personally appeared this office and furnished copy of a motion and supporting affidavit he had filed in criminal court, Louisville, Kentucky, during Aug., 1966. Motion and affidavit relate to motion to correct record of the local trial against GRUBBS. He claims that during the trial a discussion was held in the judge's chambers as to the instructions to be issued to the jury; that GRUBBS was present during such discussion acting as his own attorney, and when GRUBBS attempted to have the judge include in his instructions to the jury that criminal intent was a necessary element of the alleged crime committed, the judge ordered GRUBBS from the chambers thereby leaving GRUBBS with no one to represent him during the remainder of the discussion in chambers.	1

FLEERAL BUREAU OF INVESTIGATION

Date September 20, 1966

MILLARD B. GRUENS, 1427 South Sixth Street, Louisville, Kentucky, voluntarily appeared at the Louisville Office of the Federal Bureau of Investigation and furnished the following data:

GRUBBS stated he felt the FBI's record concerning his case should contain the following information:

On June 10, 1966, Jefferson County Criminal Court Judge J. NILES POUND, denied GRUERS motion for a new trial and confirmed the jury's recommendation of a five year prison sentence for GRUERS. Thereafter GRUERS, through his attorney, JACK LONERY, filed an appeal with the Court of Appeals in Frankfort, Kentucky.

Later in reviewing the transcript of trial records, GRUERS noted that it did not reflect an incident which had occurred in the chambers of Judge POUND during the trial when GRUERS, acting as his ewn attorney, requested POUND instruct the jury that criminal intent was a necessary element in the alleged crime. During the discussion, according to GRUERS, POUND became extremely incensed, cursed GRUERS, and ordered him from the chambers, leaving GRUERS with no legal representation during the remainder of the discussion. Accordingly, during August, 1966, GRUERS filed with the court a motion for the record to be corrected to show the incident had occurred.

GRUEES made available a copy of the following documents he had filed with the court in this respect:

An undated, unsigned "Metion To Correct Record" in the case of Commonwealth of Mentucky vs. Millard D. Grubbs, et al." by JACK M. LGWERY, JR., Attorney (One page);

Undated, unsigned affidavit by MILLARD B. GRUBBS (Two pages);

On 9/15/66 at_	Louisville, Kentucky	File#File#	
b7C		a to a 188	
BA	/eb	Date dictated 9/20/66	

An undated, unsigned "Supplemental Affidavit" by NILLARD D. GREES (Two pages);

Affidavit of JAMES E. FINCH dated August 24, 1966 (One page);

Undated, unsigned affidavit of BESSIE T. MCHRIS (Two pages)

Affidavit of ALERT P. SIKKING (Attorney who represented GRUERS co-defendants, JGHN GOVER, WALTER MULLIKIN, and JAMES FINCH) dated August 24, 1966 (Two pages);

Affidavit of Commonwealth Atterney, RDWIN A. SCHRGERING, JR., dated August 26, 1966 (One page);

Affidavit of Assistant Communicalth Atterney JOHN ROGERS dated August 26, 1966 (Qne page);

Affidavit of Court Reporter, MARGURRYTE LOCHRIDGE dated August 29, 1966 (Two pages).

One capy of each of the above documents is attached hereto.

GRUERS pointed out that in the affidavit of SCHROERIMS and ROWERS, they state they at no time heard Judge POUND state the words attributed to him by GRUERS and observed that a court reporter was present at all times during the trial and transcribed everything that was said. In this respect GRUERS noted that the Court Reporter, LOCHRIDGE, in her affidavit stated there could have been times during the trial when she was not present at discussions held in the Judge's chambers but she has no recellection one way or the other on this point but does not recall being present in the chambers

during any discussion between parties as to the instructions be given a jury. GRUBES observed it was at this time that POGED had cursed him and ordered him from the room.

GRUERS commented that regarding his co-defendants JOHN GOVER and WALTER MULLIERS, heither has had any contact with GRUERS since the trial in January, 1966. GRUERS anticipates no further contact with either as GRUERS feels they agreed not to further associate with him in return for Judge POUND withholding judgment in March, 1966, as to the jury's recommendation that they be given prison terms.

GRUERS remarked that the transcript of his trial record was sent to the Court of Appeals, Frankhrt, Kentucky, on September 1, 1966, where the matter is new pending.

GRUERS also mentioned that his appeal to the Sixth Circuit Court of Appeals, Cincinnati, Chio, wherein he has appealed the opinion of United States District Court Judge HERY L. BROCKS, Louisville, Kentucky, in January, 1966, denying GRUERS request that his case be transferred from local court to Federal court is still pending. This appeal is being handled for him by Attorney WILLIAM C. DAMMAHELL of Cincinnati, Chio, who filed an excellent brief" with the Circuit Court on August 25, 1966. The Government has 30 days to answer the brief.

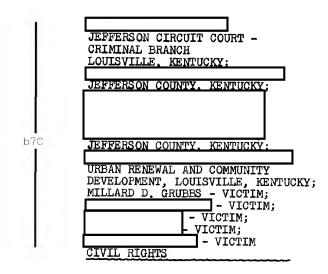

GRUEDS commented that recently Miss BESSIK T. MCRRIS who had beeded the Community Improvement League in Leuisville and who is interested in assisting GRUEDS in his difficulties, took a copy of DANHARELL's brief to United States Attorney ERHEST W. RIVERS in Louisville and was teld by RIVERS that he already has a copy of this brief.

Filed in Clerk,s Office August 29, 1966

Comes the affiant, and first being duly sworn, deposes and states as follows:

I am Margueryte Lochridge, the Official Reporter for
The Jefferson Circuit Court, Criminal Branch, Second Division.
In this capacity, I was present during the trial of the
above styled action. During the course of this trial there
were at least two sessions in which I was summoned into
chambers and out of the hearing of the jury and at the request
of either the judge, Commonwealth, or one of the defendants
to record and transcribe the proceedings that took place there.
On each of these occasions, I recorded the proceedings to
the best of my ability and they are contained in the transcript
of record.

There may have been certain occasions in which I the parties, the Commonwealth, and the trial judge retired to chambers during which time I was not present, although, I have no recollection one way or the other concerning this. I do not recall, however, being present in chambers during any discussion by the parties of the instructions. The only recollection of the events surrounding the preparation of instructions were that these instructions were given me by the trial judge at various times during the trial near the close of the case. I am quite certain that I was never present in chambers with the Commonwealth, the trial judge, or the various defendants for any discussion of the instructions. To the best of my recollection, when the case was closed by both the Commonwealth and defendants, I retired to my office to complete the preparation of the instructions. That is all I know concerning this. The first information I received concerning these allegations was when I received a phone call from Mr. Grubbs approximately a month ago informing me of sare. sworn according to law, deposes and states as follows:

Counter-afficavit of John Rovers, Filed in Clerk, s Office,

August 26, 1966, is as follows; to-wit:

During the trial of the above styled case, counsel for the Cormonwealth as well as counsel for all defendants had a number of hearings in chambers of the trial judge, J. Miles Pound, out of the hearing of the jury to discuss numerous defense motions or Commonwealth motions on points of law. During all of these sessions without question the court reporter was present and recorded and transcribed everything that was said. Counsel for the Commonwealth, or his assistant, was present during all of the proceedings in this case and at no time did we hear the trial judge state the words attributed to him by the defendant, Millard D. Grubbs.

Millard D. Grubbs at his insistence during this entire trial represented himself and at many times expressed the belief that only he was competent to so represent himself. He was present during all proceedings in court before the jury and in chambers with the court. At no time did any hearing occur in Mr. Grubbs, absence and to the best knowledge of the affiant, the circumstances and facts set forth in the afficavit of Millard D. Grubbs are without foundation.

'Comes the defendant, MILLARD D. GRUBBS, who first being duly sworn, deposes and states as follows:

My affidavit previously filed in support of the Motion to Correct the Record is herein reiterated in its entirety and incorporated herein by reference. In addition to the matters contained in that affidavit, I wish to additionally to state as follows:

On or about the 1st day of Pebruary, 1966, I caused to be filed an "Application For Injunction And For Temporary Restraining Order" before the United States Court Of Appeals for the Sixth Circuit in which I sought to restrain the Jefferson Circuit Court, Criminal Branch, Second Division, from proceeding any further in the above styled action. In this application I stated under oath as follows:

" The behavior and demeanor of the said State Court and its presiding Judge were only hostile to the defendant and this Appellant therein and it reached a climax at the time there appellanted and their attorneys were called into chambers by the said Judge to discuss the instruction to le given to the jury in said trail During the said dis. . criminal intent, to which the Judge stated in substance that such instructions would work harm to the defendants and in the following argument between the Judge and this appellant, the said presiding Judge made this statement: 'God Damn you, get out of this room or I'll have you thrown out.' At that point this appellant, then was acting as his own counsel in said trial, looked at the Judge a moment as two deputy sheriffs moved to enforce the Judge's orders and he left the conference in the Judge's office without anyone being in there to defend his rights or to protect them, and such instructions were not given the jury."

The affiant further states that the records of the United

State Court of Appeals for the Sixth Circuit in the matter of the
affiant's application for injunction and for temporary restraining
order against the Jefferson Circuit Court will reveal, and the
affiant ask this court to take judicial notice of the fact that no
response to the above sworn application was filed by the Honorable

J. Miles Pound, Judge of the Jefferson Circuit Court, Criminal

Branch, Second. Division, nor was any response filed in his behalf
by the Commonwealth Attorney of this Judicial District, the

Attorney General of the Commonwealth of Kentucky or otherwise and
that the said applications stand judicially admitted as a consequence
thereof.

That near the close of this trial all of the parties and and their counsels were gathered in the chambers of the trial judge, the Hon. Files Pound. Counter-affidavit

Comes the affiant, Edwin A. Schoering, Jr. Commonwealth.s Attorney, of the 30th Judicial District, who being first duly sworn according to law, deposes and states as follows:

During the trial of the above styled case, counsel for the Commonwealth as well as counsel for all defendants had a number of hearings in chambers of the trial judge, J. Miles Pound, out of the hearing of the jury to discuss numerous defense Moti ns or Commonwealth motions on points of law. During all of these sessions without question the court reporter was present and and recorded and transcribed everything that was said. Counsel for the Commonwealth, or his assistant was present during all all of the proceedings in this case and at no time did we hear the trial judge state the words attributed to him by the defendant, Millard D. Grubbs.

Millard D. Grubbs at his own insistence during this entsire trial represented himself and at many times expressed the belief that only he was competent enough to so represent himself. He was present during all proceedings in court before the jury and in chambers with with court/ At no time didme any hearing occur in Mr. Grubbs, absence, and to the best knowledge of the affiant, the circumstances and facts set forth in the affidavit of Millard D. Grubbs are without foundation.

For completion of Bureau files, the following is noted:

On 1-11-67 the victim GRUBBS telephonically advised of this office that he had finally decired to write to DOAR concerning instant matter to specifically ask of DOAR upon what authority of the law DOAR based his opinion of "there is no violation in this matter." On 1-20-67, GRUBBS telephonically advised that in response to his letter to DOAR he had received a reply from a M. W. HUBBARD, Chief of the Eastern Section of the CR Division, U.S. Dept. of Justice, who wrote that the Dept. records indicated GRUBBS had been informed on or about 2-3-66 that the information GRUBBS had furnished did not disclose a violation of a Federal criminal statute, and further that the information the Dept. received subsequent to that time "adds nothing which would cause us to revise that judgment." In furnishing the above information, GRUBBS made no request of this office for any action, but commented he wanted SA to know of the response he had received from the Department. He mentioned that the appeal he has pending in instant matter with the Sixth Circuit Court of Appeals in Cincinnati, Ohio, is set for a hearing on 1-31-67. As previous communications indicate, GRUBBS attempted to have instant matter transferred from local court to Federal Court; however, this transfer was refused by USDC in Louisville and GRUBBS has appealed that decision.

MILIARD D. GRUNNS, 1427 S. 6th Street, Louisville, Kentucky, voluntarily telephonically furnished the following data:

The appeal GRUDES has pending with the Sixth Circuit Court of Appeals in Cincinnati, Ohio, was argued before that Court on January 31, 1967. GRUDES felt that his attorney WILLIAM G. DANMARELL of Cincinnati, Ohio, did an effective job, whereas the "young attorney" representing the defendant, Jefferson County Commonwealth Attorney EDWIN SCHROERING, was not effective in his presentation. GRUDES stated that the Sixth Circuit Court Judges SULLIVAN, FRILLIPS, and EBERLY heard the arguments and took the matter under advisement and to date have rendered no decision.

Approximately a month ago, GRUZES wrote President JOHNSON about this case furnishing him complete facts and asking that the President take some action to see that GRUZES's civil rights are protected.

GRURNE has learned from a source, whom he said he cannot identify because of having received the information in strict confidence, that Assistant Attorney General JOHN DOAR of the Department of Justice, is making sincere efforts to assistant in protecting the civil rights of GRURNES in instant matter.

With respect to his pending appeal in this matter with the Court of Appeals, Frankfort, Kentucky, GRUBES said that to date that court has not rendered any decision and has given the Attorney General of the State of Kentucky until April 17, 1967, to file briefs in the matter. GRUBES theorized that the Court of Appeals will not render any decision on the matter until it learns the decision the Sixth Circuit Court in Cincinnati makes in this case.

MILLARD B. GRURDS, 1427 South 6th Street, Louisville, Kentucky, voluntarily telephonically contacted the Louisville Office of the Federal Bareau of Investigation and advised as follows:

He has pending in the United States District Court (USDC), Louisville, a request that that Court take jurisdiction in a suit he has brought against KLMER N. CARRELL, Clerk of the Jefferson Circuit Court, Louisville, Eentucky, claiming CARRELL has unlawfully converted to his own use, \$870.40 of boad memory GRUBBS had furnished the Jefferson Circuit Court in February, 1965, when GRUBBS deposited a total of \$2500 for release of himself and four co-defendants on boad.

In connection with the above, GRURES stated that on June 5, 1967, he had filed in USDC in Louisville, an affidavit asking that U.S. District Court Judge HENRY L. BROCKS disqualify himself from raling on GRURES motion that the USDC take jurisdiction. In an affidavit GRURES claimed Judge BROCKS was biased in the matter.

On June 9, 1967, Judge MROCKE ruled on GRUBBS request that he disqualify himself. Judge MROCKE' ruling was to the effect that in making his request for disqualification, GRUBBS had failed to accompany the request with an affidavit from his counsel of record that the request was made in good faith, which procedure is called for by Title 28, Section 144, United States Code. Judge BROCKE netified GRUBBS he would have ten days to obtain the accessary affidavit otherwise his petition for disqualification is denied.

GRUBBS expressed complete dissatisfaction with the ruling of Judge HROCKS, commenting he, GRUBBS, does not have a counsel in connection with instant matter and he does not have to employ counsel and therefore the denial on this ground is erroneous. GRUBBS stated that with

respect to the difficulties he has found himself in recently in connection with other matters he has employed attorneys and has "spent nearly \$5,000" for attorneys who have all generally proved "pathetically ineffective" in that they have been "afraid" to unequivocally state the facts as seen by GRUBES.

GRUNDS further said that he has written the Governor of Kentucky regarding the above decision of Judge MNCORS and in the letter stated clearly that he, ORUBES, intends to see that his rights are not violated. He said he previously wrote the Governor in Hovember, 1965, with respect to his difficulties and received an answer from the Governor indicating the Governor would look into the matter but "apparently he has done nothing".

GAUBUS further stated he intends to write United States Supreme Justice MUSO BLACK with regard to this matter and will give Judge BROOKS a copy of such a letter.

GRUBES stated he intends to see that the rights secured him by the United States Constitution are given him notwithstanding what he termed "a conspiracy" by officials of both local and U.S. District Courts in Louisville, Kentucky.

MILLARD D. GRUBBS, 1427 South Sixth Street, Louisville, Kentucky, voluntarily furnished the following data telephonically:

He has mailed a letter concerning this matter to the United States Attorney at Louisville, Kentucky, which sould have been received by the United States Attorney on August 14, 1967. In his letter he set forth information regarding happenings which have occurred in the past in connection with instant matter which he firmly knows show his civil rights have been violated. Further, in his letter he offered to furnish the United States Attorney any additional information the United States Attorney might desire.

GRUBBS also commented that he now feels very strongly that Assistant Attorney General JOHN DOAR of the United States Department of Justice is using the influence of his, DOAR's, office to prevent any Federal action being taken concerning GRUBBS' complaint.

GRUBBS feels that unknown sources have prevailed upon Assistant Attorney General JOHN DOAR to prevent any Federal assistance being rendered GRUBBS. GRUBBS has no specific data upon which to base this belief, but he commented that "in the past I have written some rather caustic things about high government officials", and GRUBBS believes that because of his past writings he is intensely disliked by officials of the current United States Government Administration. GRUBBS also commented that in the past he has incurred the enmity of the American Jewish Committee and inferred that possibly the American Jewish Committee has been in contact with the United States Department of Justice concerning GRUBBS.

- 2 -

GRUBBS further commented that CHRISTIAN GLANZ, JR. and JAMES WHEELER, characterized by GRUBBS as "good, conservative Christian men" are running for Governor and Lieutenant Governor respectively on the Kentucky Conservative Party - Liberty Bell ticket in the 1967 Gubernatorial Elections in Kentucky. GRUBBS stated that he helped organize the ticket for these individuals, and during the forthcoming campaign GRUBBS expects to "heavily publicize" in a critical manner the current Government Administration of Kentucky and will use the facts that have occurred in his current case in this connection.

FEDERAL BUREAU OF INVESTIGATION

Date	10-4-67

MILLARD B. GRUEDS, 1427 South Sixth Street, voluntarily telephonically contacted the Leuisville Office of the Federal Bureau of Investigation and advised as follows:

Knowing that the Federal Grand Jury was sitting in Louisville, Kentucky, on September 25, 1967, he and several acquaintances attempted to get before the Grand Jury to present to it evidence of the crimes he knews have been committed against him as a result of his participation in a citizens arrest in Louisville in January, 1965. However, the bailiff did not permit GRUMBS and his friends entrance to the Grand Jury and through inquiry GRUMBS determined that the bailiff was acting as a result of instructions on the part of the United States Attorney ERMEST W. RIVERS, Louisville, Kentucky. GRUMBS on that date contacted RIVERS, and RIVERS told GRUMBS that he, RIVERS, had told the Federal Grand Jury it need not hear GRUMBS in that the matter concerning which GRUMBS wanted the Grand Jury to consider had already been ruled on by "higher authority" as not being a matter within the province of the Federal Violation.

GRUENS stated that he felt U.S. Attorney RIVERS' action was entirely illegal and on the afternoon of September 25. 1967. GRUBBS sent a telegram to the Grand Jury which read "the admittance by the United States Attorney that he had advised you not to hear witnesses in the monstrous crime against the criminal laws of the United States committed under a corrupt conspiracy to conceal the crime of false swearing by the urban renewal director of real estate is an act of desperation on the part of the District Attorney to conceal a crime so overwhelming that it defies description. The Grand Jury is a sovereign body and the law requires it to be the sole judge of whether or not a crime in this district against the laws of the United States has been committed, and only after it has investigated the evidence can it decide on whether to indict. The United States Attorney has no legal authority to try and usurp the duties and functions of this Grand Jury, indeed nor does anyone else have that right.

"We again ask this Grand Jury to name a date and time at which we may present the witnesses and the evidence of a

judicial conspiracy that will alarm this Jury when the facts are revealed."

GRUBBS stated that the Federal Grand Jury at Louisville ended its current business on September 26, 1967, without responding to GRUBBS' telegram. GRUBBS therefore said he was going to apply for a writ of mandamus with respect to the foreman of the Grand Jury and the United States Attorney. Further, GRUBBS said that on September 29, 1967, he had gotten in touch with the foreman of the Grand Jury, a Mr. HILL, Manager of the Filson Club, Incorporated, 118 West Breckinridge Street, Louisville, Kentucky, regarding the matter and HILL said the Grand Jury had read GRUBBS' telegram and had decided to let the United States Attorney in Louisville look into the matter. GRUBBS said he strongly told HILL that it was the Grand Jury's responsibility and not the United States Attorney's to conduct an investigation into the matter.

GRUBBS further remarked that he had just received notice from his Attorney LOWERY that on September 29, 1967, the Court of Appeals at Frankfort, Kentucky, had reversed the conviction of himself and his co-defendant JAMES E. FINCH in Criminal Court in Louisville on the charge of false arrest. He stated that originally there were five defendants in the case, but only himself and FINCH had appealed. He did not know specifics on which the reversal had been based but said there were undoubtedly several errors involved by the Criminal Court.

GRUBBS commented that while he, of course, is happy that his conviction has been overturned this is not going to lessen his efforts to see that Federal action is taken with respect to what he feels has been a conspiracy against him to deprive him of his civil rights.

On October 13, 1967, Millard D. CONSOLIDATED APPEALS FAOM JEFFERSON CLACUIT COURT CRIMINAL ERANCE, 2ND DIVICION HONOLABLE J. MILES POUND, JUDGE

OPINION OF THE COURT BY COMMISSIONER CULLER

BEVESSING

James E. Finch and Hillard D. Grubbs were convicted under K.3 435.150 of arresting one H. A. Lewis otherwise than according to law." Finch was given a one-year sentence and Grubbo received a five-year pentance. Both have appealed.

Two associates of Finch and Grubbs in an organization created by Grubbs called the Mational Law Enforcement Committee made a "Citizen's sirest" of Lawis on a charge of falce swearing. They took Lewis before a nagistrate who held a hearing and then order: Lewis released from custody on the ground that since the evidence produced at the hearing did not show that Lewis had knowingly and willfully sworn falsely, the evidence was not sufficient to justify holding Lewis for the grand jury. Indictments for falso arrest than were brought against Finch, Gurbbe, the two associates who had physically made the arrest, and another associate. The theory of the prosecution, fully proved and in fact not denied, was that the arrest was planned and carried out as a specific project of the "National Low Enforcement Committee" in which project all of the defendants participated. One of the defendance was battery and was given a suspended sentence. The other four all were convicted but the two other than Finch and Grubbs were given suspended sentences and they have not appealed.

The statute authorizing a "citizen's arrest, "KHS 431.005 (2), provides that a private person may make an arrest when a falony has been committed in fact and he has reasonable grounds to believe that the person being arrested has committed it. The indictment in the instant case did not indicate in what respect the arrest did not comply with this attitute or in what other way the arrest was illegal or false; it simply charged in the words of KHS 435.130 that the arrest was "otherwise than according to law." The appellants moved that the indictment be quashed for failure to state the facts constituting the offense, and they moved in the alternative for a bill of particulars. The trial court overruled both motions, in which rulings the appellants claim error.

Prior to the adoption of the present Rules of Criminal
Procedure the holding of this Court was that an indictment under

without specifying the circumstances and facts of the arrest.

Some Carroll v. Commonwealth, 164 Ky. 599, 175 S.W. 1043.

Kimbler v. Commonwealth, Ky., 269 S.W. 22 273; Lewis v. Commonwealth, Ky., 269 S.W. 22 273; Lewis v. Commonwealth, Ky., 269 S.W. 22 273; Lewis v. Commonwealth, Ky., 299 S.W. 26 635. However, the new rules have adopted the principle of notice pleading, her 6.10, and it now to commonwealth arrives of the indiction fully faller at the defendant of the nature of the crime with which has it charges, without detailing the "essential" factual elements. See Pitzgerald v. Commonwealth, Ky., 403 S.W. 22 21; Hines v. Commonwealth, Ky., 390 S.W. 2152; Runyan v. Commonwealth, Ky., 393 S.W. 22 877. So we think there was no error here in the overruling of the indictment. But we think it was error to overrule the notion for a bill of particulars.

The theory of the new rules of criminal procedure is that if the defendant needs information concerning the details of the charge against him to enable him to prepare his defense he should be supplied them through a requested bill of particulars, rather than that a requirement be made that every indictment act forth all details of the charge. As we shall show, we think the defendants in the instant case reasonably needed a bill of particulars to enable them to prepare their defense and to protect them against the surprise of a multiple-theoried prosecution.

As the trial progressed it developed that the prosecution was proceeding on those different theories of an unlamful arrest, osch resting on different syldence. One theory was that Leals

(the man who was arrested) did not in fact swear falsely.

Another was that the arrest mide by the defendants was not a citizan's errect (without userant) but use an attempted official arrest on an invalid warrant. The third theory was that even if the arrest technically was valid it was not made in good feith. See Bogley v. Commonwealth, 22 K.L.A. 1971, 60 S.W. 847. We think the presentation of these varied theories, without notice or warning, but an unreasonable bursen of defendance of the factor of

The appellants make another chim of error in which we find marit. The error consisted of a statement by the trial judge to the jury that the Court of Appeals had decided in the civil case in which Lowis was alleged to have made a false efficavit, that what was caid in the affidavit was true, and that the decision was conclusive of the question of whether Lewis was guilty or false recording. This statement amounted to a directed verdict of guilty against the defendants because it told the jury that Lewis had not committed an offense, whereas one of the prerequisites of a citizen's arrest is that a felony actually have been committed. The statement was highly projudicial and in our opinion it was wrong on several grounds, as we shall show.

Lewis was an employe of the Urban Renewal and Community
Development Agency of Louisville. That agency had instituted a
condensation proceeding against one Dinwiddie, who was a friend
of Grubbe. On behalf of Dinwiddie, Grubbs caused a motion to
be filed in the condemnation suit for dismissal of the suit on
the ground of failure to have joined one Emerson, who was assaited

to have an interest in the property as a sublessee. Lewis ther report made and filed in the suit an affidavit that Emarson did not have any interest in the property. (This is the "affidavit on which the false spearing charge was based.) The motion to diraise was overruled and the suit went to judgment. On appeal to the Court of Appeals Dimwiddle asserted as one of his claims of error that Emerson had orronously been acquiqued to acceptary party. This fourt, in its opinion on this acceptance, and it offer the factor, in the opinion of the factor, and the lease to Phillips Potrolous Company*, * *". This statement in the opinion is what the circuit court in the instant case said was a conslupive adjudication that Lewis had not suorn falsely.

There are at least two reasons why the circuit court's ruling was errencous. First, for all that appears from the opinion of this Court on the Dinwiddie appeal, Emerson may have transferred his interest to Phillips Patroleum Company after Lewis made his affidavit. Second, part of the record which this Court relied upon as showing that Emerson had no interest may have been the Lewis affidavit itself. Additional reasons may be found in the fact that the defendants in the instant case were not parties to the Dinwickie suit so as to supply the element of sameness of parties which is essential to res adjudicata, and the quantum of proof required in a civil case is different from that in a criminal prosecution.

It is true that the trial court permitted the defendants to incoduce evidence in the latter stages of the trial tending to show that Emerson did have a leasehodi interest in the Dimmiddle

p.opert, and the Lewis affidiret was therefore false, but the court have withdress its ruling that the Levis affidevit had been conclusively adjudged by this sourt not to be false. Furthermore, the court permitted the evidence to be inspected by unreasons statements by the prosecuting atternays that a sublessee of real estate has no interest in the real estate.

Durther error une committed by the trial court in on a during ation of our party of the contract. Lenis by the the defendants who physically sirested him was "not a valid arract warrant." The evidence was that when the two defandants confronted Lowis they told him they were roking a "citizen's arrest." (Of course this would be an arrest without a rorrant, because that is the only king of citizen's arrest there is.) Lowlo asked them what was the pharge, and they then handed him in affidavit stating the alleged offense of folso securing, which was attached to a paper entitled "Mational Low Enforcement Committee's Official Warrant of Arrost." Despite the fact that the defendants never at any time pretended or .. claimed that they was accesting upon the warrant, or represented to Lawis that they were agreeting him upon the warrant, and daupito the fact that Lewis did not testily that he ottached any tignificance at all to the so-colled varrant, the prosecuting attorneys inslated throughout the trial, by repeated commants to the jury and to the court, and in their final. assument to the jury, that the defendants were guilty of false arrest solvly and simply because they handed the so-called userent to Lexic. In the context of the trial and the other

arrest warrant was erroneous and highly prejudicial, because it in effect told the jury that the defendants could be found guilty cirply because of their handing Lewis the paper, even though Lewis already had been rold that he was under a "citizen's arrest" and the papers were handed to him only after he had solved the nature of the offense with which he was charged.

We find morat also in another claim-of error. A policeman was parmitted, over objection, to testify that he had kept and fulfill the distribution is althought to be brighted Law Enforcement Committee) under surveillance for several days and had observed a known criminal enter and leave. This ovidence had no possible relevance to the offense charged.

Other errors are asserted which we find it unnecessary to pass on and which therefore are reserved.

It appears that Grubbs, a disbarred lawyer, at the very . loust was misguided in his quest (as stated by him) to arrest and bring to trial "traitors who committed high crimes in high places;" that the arrest of Lewis was not conductive to or consistent with the orderly enforcement of law, nor made necessary or even docirable by any urgency; and that the defense tactice and antico of Grubbs at the trial were calculated to make it difficult to conduct a fair and importial trial; nevertheless, our system of justice entitled him to a scrupulously fair trial.

The judgment is reversed with directions for a new trial. Williams, C. J., Hill Milliken, Montgomery, Osborne and Palmore, JJ., concur.

Resist Treason and Terror by Public Traitors

Mr. Richard Hill Foreman, V. S. Grand Jury 118 Breckinridge Street Louisville, Kentucky

Dear Sire

The corrupt and murderous conspiracy against the undersigned between judges of courts to destroy this writer under the color of law, because of the "Citizens Arrest" of H. A. Lewis, Director of Real Estate for the Urban Renewal Agency here, and to protect said Lewis by falsely accusing the undersigned and others of "A False Arrest" of said Lewis, involve the ancient rights and liberties of free people that had belonged to the citizens of this republic ever since the Filgrims landed here, whom I believe would have died to a man, rather than surrender to the "Rule of Treason" under which our civilization is today sinking.

It's impossible for me not to feel strongly and speak warmly when discussing matters that mean so much to my country. In my telegram to the Grand Jury dated September 26, and my letter to you of October 2, 1967, presented the Grand Jury an opportunity to strike a fatal blow at the subversion of our liberties and objection divilization being carried on by disloyel public officials. It's our belief that there is no right way to do something that is wrong, and that it's senseless to sidestep duty because of political pressures or expediency. When God calls up earth heroes to stand before his face - many a name unknown to fame will ring out from that high place.

"The moving finger writes, and having rit moves on, and all your plety and wit shall not lure it back to cancel half a line, nor all your tears wash away one word of it."

Sincerely.

MILLARD D. GRUDES, 1427 South Sixth Street, Louisville, Kentucky, voluntarily telephonically contacted the Louisville Office of the Federal Bureau of Investigation and advised as follows:

On November 14, 1967, he filed with the Sixth Circuit of the United States District Court, in Cincinnati, Ohio, a petition requesting that Court compel United States District Judge HENRY L. BROOKS, of Louisville, Kentucky, to disqualify himself in connection with action concerning the matter about which GRUBES has petitioned the District Court in Louisville, Also, GRUBES has filed with the Sixth Circuit Court a petition made in the matter by RESSIE T. MORRIS, in support of GRUBES' petition.

GRUBBS further commented that he has recently received some letters from Washington, D. C., the senders of which he could not identify because they wanted their names maintained in confidence, which indicates to GRUBBS the possibility that some United States Senate action might be taken in the future in connection with GRUBBS' unsuccessful efforts to get his case before the Federal Court in Louisville, Keutucky.

That at all times herein mentioned, the respondant Judge Henry
L. Brooks, has been and still is, one of the duly appointed and
acting regular United States District Judges at Louisville, for
Western Kentucky. AND

That the respondant Ernest W. Rivers, at all times herein mentioned, has been and now is, the duly appointed and regular acting Attorney for the United States in Western Kentucky. AND

That Richard D. Hill, at all times herein mentioned, has been and now is, the regular duly appointed Foreman of the Grand Jury of the United States, at Louisville, for Western Kentucky, and that each of the said respondants are residents of Jefferson County, Kentucky.

JURISDIC.TION

The jurisdiction of this Court in this extraordinary and unusual proceeding arises under the Provisions of Sections 1361, 144, and 1651 of Title 28, United States Code.

This is a proceeding for a writ in the nature of mandamus to require Judge Henry L. Brooks, Regular Presiding Judge of the United States District Court, for Western Kentucky at Louisville, to vacate the Bench under the disqualifying facts set forth in Affidavit and

Motion filed in Case No. 5736, now pending before the respondant in said Court, styled Millard D. Crubbs vs. Mrs. Belle L. Dinwiddie, Elmer N. Carrell, clerk of the Jefferson Circuit Court, and Stanley Badesch, Commissioner of said State Court, filed in said case by this petitioner as the plaintiff therein, on August 22, 1967, and denied by the respondant Judge on October 18, 1967, certified copy of which is filed herewith, in support hereof, and to require the United States Grand Jury, the said Judge Brooks, and United States District Attorney to properly perform their duties as officers of the United States Government, in having said Grand Jury set a date and hour to hear the witnesses and testimony regarding a corrupt conspiracy between Judges of Kentucky and other public officials of said state against these petitioners, and having been duly sworn, deposes and states as follows:

- (1) The facts disclosing the unbounded and blind prejudice of Judge Henry L. Brooks, respondent herein, against these petitioners is set out below.
- (1 a) On February 27, 1967, in a hearing before the respondant Judge Brooks in said case 5736 pending before this respondant, the respondant Judge in substance stated: "You think I'm prejudice against you." To which Mr. Grubbs replied: "Judge, you embarrass me." To which he responded: "It doesn't embarrass me," with a broad grin. Mr. Grubbs answered: "Well, it certainly embarrasses me, but I must tell you the truth. Yes, Judge, I believe you are prejudice against me in this case." The grin vanished from Judge Brooks' face and shortly thereafter he entered in said hearing the following order:

"This case came on for hearing on October 27, 1967, on defendant Stanley Badesch motion for a summary judgment. There appeared Millard D. Grubbs representing himself as petitioner herein, and Walter R. King, and Homer Parrant for defendant Dinwiddie, Martin R. Sullivan, Jr., for defendant Badesch.

It appearing that the defendant Elmer N. Carrell and Belle L. Dawiddie will file motions to dismiss in this case, the motion for summary judgment of the defendant Badesch will stand submitted. The other two defendants shall file their motions to dismiss within ten days, accompanied by memorandum briefs, and the plaintiff will be given ten days thereafter to respond to the motions.

(1 b) The bias and prejudice of the respondant Judge was demonstrated in a corrupt and framed-up indictment against the petitioner Grubbs, and others in the Jefferson Circuit Court, to conceal the crime of false swearing, by one H. A. Lewis, Director of Real Estate for the Urban Renewal Agency of Louisville, which was removed to the United States District Court at Louisville, and unfortunately for this petitioner was assigned to the respondant Judge Henry L. Brooks, who within a mere matter of hours after an Amended Removal Petition had been filed before Judge Brooks, without affording the petitioner Grubbs, and others, their right to have presented their proof that they would be unable to obtain a fair trial in the state Court, the respondant Judge herein remanded the trial in the framed-up and corrupt indictment back to the State Court to carry out their corrupt plan, and Judge Brooks, in the opinion of this petitioner, in his said order to remand said case, re vealed plainly his bias and prejudice against petitioner by these words in his said remand order:

"OTHER ELABORATE CHARGES ARE MADE IN THE COMPLAINT ALLEGING VIOLATION OF CIVIL RIGHTS AND OTHER ACTS OF DISCRIMINATION AGAINST THE PETITIONERS BY PUBLIC OFFICIALS OF THE CITY AND STATE."

The petitioner Grubbs believes that the use of the word "Other Elaborate Charges" was for the purpose of undertaking to question the good faith of petitioner in said removal case, and evidenced his bias in favor of his judicial friends among the conspirators.

)1 c) The bias and prejudice against petitioner Grubbs, on the part of the respondant Judge herein seems to be reflected in the arbitrary order entered by said Judge in the removed prosecution case above noted, by the following order entered therein, set out below in part:

"Petitioner, John T. Gover, has been indicted by the Jefferson County Grand Jury for unlawful arrest in violation of K.R.S. 435.150, and the Petitioners, Millard D. Grubs, Walter H. Mullikin and James E. Finch, of aiding and abetting an unlawful arrest in violation of the same statute. They seek to remove these ciminal proceedings from the state court, alleging that they are unable to obtain a fair and impartial trial, and that "the said indictment against these petitioners, and prosecution thereunder in the state court is the result of a false, unlawful and wrongful conspiracy between state judges and other public officials in the state to try and protect the said Lewis (H. A. Lewis, Director of Real Estate for the Urban Renewal and Community Development group of Louisville, Kentucky) from

the false swearing charge, and to destroy Mr. Millard D. Grubbs, one of the petitioners herein, under the prejudice and bittereness of a pre-existing conspiracy."

(1 d) The petitioner Grubbs and others. On November 30, 1965. next day after the remand order above quoted had been ordered, filed their motion in the said case, before the respondant Judge Brooks to set aside the said remand order and to hear their witnesses and evidence to allow them to establish the truth that they could not enforce their right or obtain a fair trial in the said State Court, which motion was overruled by Judge Brooks on January 11, 1966, and on January 13, 1966, notice of appeal from the said order of remand to this Court was filed by the petitioner and others with the clerk of the U. S. District Court at Louisville, and on January 21, 1967, the petitioner Grubbs herein, and others filed their affidavit and motion in the said U. S. District Court at Louisville, before the respondant herein Judge Brooks for an order enjoining the State Court and its Judge from any further proceeding under his said remand order, unless and until it is finally remanded for such proceedings by the Federal Court, and his said Motion and Affidavit to block the said conspirators in the State Court. in carrying out their evil plan was ignored by the respondant herein Judge Henry L. Brooks, and no relief was given the said removal petitioners.

The petitioner Millard D. Grubbs hereby refers to, adopts, and incorporates by reference the Brief relating to said remand order that was filed in this Appellate Circuit Court by Attorney William j. Dammarel, who represented the Appellants in the said appeal from such remand order, and especially incorporates the laws cited in said brief establishing the fact that it was Judge Brooks' legal duty to have heard the evidence and witnesses in the removal case before any such order to remand was entered.

(1 e) The bias and prejudice of Judge Brooks against petitioner Grubbs herein was further manifested on January 31, 1966, by his order entered on said date denying this petitioner Grubbs, his right to plead any further in the United States District Court in regard to his Petition and Motion for an Injunction against the State Court in the framed-up and corrupt indictment.

CH IX

(1 g) On May 10, 1967, petitioner Grubbs herein filed a petition in the United States District Court against Elmer N. Carrell, alone, under the Provisions of Section 1983 of Title 42, to recover damages for the denial to him by the said defendant Carrell of the Equal protection of the laws of Kentucky and for denying said petitioner and plaintiff his constitutional and legal right. The said case was assigned to respondant Judge Henry L. Brooks, and this petitioner Grubbs filed in said case his Motion and supporting Affidavit to have Judge Brooks vacate the Bench in said hearing, which on June 8, 1967

the compiracy that is now before this Court in this hearing.

said affidavit and motion was denied by the said respondant judge herein by the following order:

"The petitioner, Millard R. Grubbs, has filed an affidavit to disqualify the judge of this court to whom this case has been assigned. The affidavit complains principally of prior judicial rulings adverse to the petitioner and allegs some baseless conclusions that do not show the "personal bias" which is a prerequisite to disqualification of a judge. However, even if the sufficiency of the petitioner's affidavit is conceded, Section 144 of Title28 United States Code requires that the affidavit of the party be accompanied by a certificate of counsel of record stating that the affidavit is made in good faith. The purpose of this requisite is founded on the assumption that a member of the bar as an officer of the court will not abuse the sensative right to disqualify a judge unless such action is required to assure that justice is properly administered. United States vs. Hoffa (1965) 245 F. Supp. 772; United States v. Hanrahan (1965) 248 F. Supp. 471.

Since the petitioner has no counsel representing him at this time, he is given ten days from the date of this order to obtain counsel of record who will sign the essential affidavit of good faith. Otherwose, the motion to disqualify is denied.

- (1 h) On September 11, 1967, the prejudice of Judge Brooks was again revealed by his order entered in the said case against Carrell in which he dismissed the complaint, and denied this petitioner of his right to show by proof the criminal conversion of \$670.40, which the defendant Carrell, converted to his own use or to the use of others of a \$2500 cash bail posted by the petitioner Grubbs with Carrell, as clerk of the state court, under the fraudulent and framedup indictment, involved in the removal petition above noted. A certified copy of the order by respondant Judge herein is filed herewith in support hereof, and for under color of law and the regulations of his office for depriving and causing the petitioner to be deprived of the equal protection and due process of law, and for oppression and persecution by misuse of public power against this plaintiff.
- (1 i) The following quotation is taken from the order by the respondant Judge Brooks, dismissing the Carrell case:

"The plaintiff seeks to invoke jurisdiction by relying on 28 United States Code, Section 1343, entitled "Civil Rights and Elective Franchise."

We pause in the quotation above started to correct the glaring misstatement of fact contained in the order above started because the case sought to enforce his rights because of deprivations thereof under Section 1983 of Title 42 of the United States Code, which provides:

"Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any state or territory, subjects, or causes to be subjected, any citizen of the United States or other persons within the jurisdiction thereof to the deprivations of rights, privileges, or immunities, secured by the Constitution and laws, should be liable to the party injured to an action at law, suit in equity or other proper proceeding for redress."

The complaint against Carrell which the respondent $J_{\rm u}$ dge Brooks dimissed by using a wrong provision of the statute charged Carrell with subjecting him, under color of the regulations of his office and under law to the denied of the equal protection of the law, and of other deprivations of denial.

- (1 j) The prejudice of the respondant Judge Brooks is clearly exhibited by the order entered on October 27, 1967, in which he sarcastically sought to badger and embarrass the petitioner Grubbs by improper and unnecessary statement or question in the presence of the opposing counsel and at a hearing in which petitioner Grubbs had no legal help. The petitioners file herewith, as a part hereof the response filed by Mr. Grubbs to the said Affidavit for Summary Judgment by the defendant Badesch. The personal prejudice and bias against Mr. Grubbs on the part of the respondant Judge Brooks cozes out of every word contained in that order, as a cursor reading will show. It actually encourages the other defendants to file with him, Judge Brooks, a Motion to dismiss plaintiff's case, and it submits the case before the pleadings are even completed.
- (1 k) WHEREFORE, the petitioners ask this Court to issue its writ requiring the respondant Judge Henry L. Brooks to vacate the Bench in the hearing of the case now before him as trial judge in the United States District Court, Louisville, styled Millard 1D. Grubbs VS. Belle L. Dinwiddie, et al, No. 5736, therein, and for his costs herein and for all other legal and emaitable, general and special

relief to which he is entitled:

PARAGRAPH TWO

The facts set forth herein in Paragraph One show the desperate need for a Grand Jury investigation by the United States Grand Jury for this District of the conspiracy to deprive these petitioners of their constitutional and legal right, and for such an investigation the petitioners state as follows:

- (1) Several attempts by written motion and communication with the respondant Judge Henry L. Brooks, and the other respondants herein have been made by these petitioners to be allowed to present the facts relating to the crimes committed in obedience to said conspiracy, to the said U. S. Grand Jury for Louisville. Two of such written efforts are evidenced by the record of the case of petitioner Grubbs and others, against Judge J. Miles Pound, and Jefferson Circuit Court, being in this Court on appeal of a remand order under No. 17.079.
- (b) On or about August 1, 1967, a committee from the Community Improvement League, Inc., led by Miss Bessie T. Morris, its chairwoman and Presidnet, made an appointment with the respondant Judge Henry L. Brooks for the purpose of requesting him to have the Grand Jury investigate this corrupt conspiracy. Petitioners filedherewith in support hereof, the affidavit of the defendant Bessie T. Morris, Attorney C. L. Bell, and others relating to what happened in the said appointment with the said Judge Brooks. Judge Brooks, according to the said affidavit, instructed them or advised them to see the United States District Attorney at Louisville concerning having the Grand Jury investigate the conspiracy.
- (c) On January 25, 1967, these petitioners and each of them made a vigorous effort to appear before said Richard D. Hill, as Foreman of the said U. S. Grand Jury in Louisville to present to them the evidence establishing said corrupt conspiracy in violation of the criminal laws of the United States, and to have other witnesses appear before said Grand Jury for the same purpose. They were denied the right to present the facts concerning the said conspiracy to said Grand Jury, and was unable to personally see the respondant Richard D. Hill, Foreman of said body. Prior to September 25, 1967

the petitioners, and each of them, contacted both the United States District Attorney, the respondant herein, and Richard D. Hill, Foreman of said Grand Jury, requesting that subpoenas be issued for certain persons in Jefferson County, as witnesses to testify before the Grand Jury to facts showing the conspiracy against these petitioners, all of which were ignored by the District Attorney and for Foreman of the Grand Jury. The vigorous attempt by the petitioners herein to have the said Grand Jury hear their testimony and that of their witnesses in said matter, resulted in the U. S. District Attorney for this District, Mr. Rivers, respondant herein, finally advising us in person that he had informed the Grand Jury Foreman not to hear out witnesses. We file herewith a telegram sent to the said Grand Jury, on September 25, 1967, via the Western Union Telegraph Company of Louisville, with a certificate therein from the superintendent of the Telegraph Company, verifying delivery of said telegram which speaks for itself. Notwithstanding these facts, and the facts contained in the three letters filed herewith and written by the petitioner Bessie T. Morris to the respondants Richard D. Hill, and Ernest Rivers, and one to Judge Water F. Gordon, another United States District Judge for Western Kentucky, at Louisville, who it appears signed for the said telegram to the Foreman of the Grand Jury.j

(d) The foregoing facts disclosed with certainty that these petitioners have been denied by the said officers of the government of the United States of their constitutional and legal rights to appear before said Grand Jury, and to give in evidence concerning the said corrupt conspiracy and crimes being committed against them thereunder, and that it was and is the legal duties of the said respondants Judge Henry L. Brooks, United States District Attorney Ernest W. Rivers, and Richard D. Hill, Foreman of the United States Grand Jury for Louisville to re-assemble and to fix a day and hour in which the petitioners and their witnesses may appear before said Grand Jury and presentitheir testimony to it showing the crimes committed against them under said conspiracy, and by who and what the acts were.

WHEREFORE, petitinners ask this Court to issue its said writ against the respondant Judge herein, and compel them, and each of them, to perform their legal duty to these petitioners in regard to hearing the testimony and the testimony of their witnesses concerning the conspiracy and crimes thereunder being perpetrated against them, and for their costs herein and all other relief general and special, legal and equitable, to which they are entitled.

The petitioners file herewith, as a part hereof, the said telegram addressed to the Grand Jury and dated September 25, 1967, marked for identification "Telegram,"

The affidavit of Miss Bessie T. Morris, and others, concerning their appointment with the respondant Judge Henry EBrooks, to have him refer the said conspiracy for investigation to the Grand Jury of the United States for the Louisville District: marked "Affidavit" for identification.

Copies each, of the three letters written by the petitioner
Miss Bessie T. Morris to Mr. Ernest Rivers, United States District
Attorney, Louisville; one addressed to Mr. Richard D. Hill, Foreman
of the U. S. Grand Jury, Louisville, and one addressed to Honorable
Walter F. Gordon, U. S. District Judge for Western Kentucky, Louisville,
Kentucky.

The petitioners say they have read the statements in the fore-going petition to have respondent Judge Henry L. Brooks, vacate the Bench in the trial of case No. 5736, now pending in said court styled Grubbs vs. Dinwiddie, et al, and containing Paragraph Two to have Grand Jury perform its legal duties, and that they are true as they verily believe.

KES POTEDATES

MAY IT PLEASE THE COURT:

The potitioner, Bessie T. Morris, believes that a little background history of how she became a petitioner in this case would be helpful to the Court.

While she attended the University of Louisville Law School for ten senseters, her studies were not for becoming a number of the Par, but were for her own protection and in relation to her work as a realtor. She has found her knowledge useful also as President of the "Community Improvement League, Inc.," which she organized and now directs, and that movement is for having justice done by our Judges in Courts. As President of the Community Improvement League, Inc., she become interested in the transndous struggle being carried on by the Konorable Millard D. Grubbs, who had been sensetionalized by the newspapers in the latter 1920's and 1930's, and as she had felt keenly the injustice of Judges, herself, she made a very careful exemination of the persecution of Mr. Grubbs, and found a coalition of very bitterly prejudiced Judges and other public servants that hated and fenred this outstanding citizen, who is loved and trusted by those that know him.

The petitioner Bessie Morris has been made to distrust judges of Courts in Louisville by a bitter experience in which she was defrauded of a piece of property in the 1940's worth at that time several thousand dollars in value. She contacted many members of the Ber in Frankfort, Louisville, and throughout the State who examined the

stance said to her: "Miss Morris, you have my sympathy. They just stole your house, but there is nothing I can do about it unless I get in bed with the Judges." The case involved a fee simple deed to a piece of property the petitioner Morris had built and the fraud that was perpetrated upon her by the Commissioner and Judge of the Court, was in bold delience of the statutes of fraud existing in the State of Montucky under Section 470 K. A. S. The case was taken to the Court of Appeals and Commissioner Otto Stanley affirmed the case by stating falsely and describing her fee simple deed a "Title Pond."

Roy I say that the experiences I have had in enforcing my right are not one to increase my trust in the enforcement of our right in our fourte, but I must say that I was uttorly saused and unproposed for the shock I received on September 25, 1967, when I had, so to opens, the doors of the Grand Jury closed in my foce by the respondent horoin, Mr. Alchard D. Mill, Persons of the W. J. Grand Jury at Louisville, and it has been uttarly impossible for we to dignet my setonishment at the United States District Attacksy for Louisville, Mr. Rivers, who inferred that he had advised the Grand Jury not to hour the evidence the irrofutable prior that I am propared to put before a Grand Jury that will establish the corrupt conspiracy between one Agoss Thurs of Louisville and Judge Scott Miller and the Commissioner of the Corpet.

I have also appeared, as Chairman of the Community Employment Longue, at all hearings in the persecution against Fr. Grubba. Ageolf and another lady were present on the 27th of October in the charmons of Judge Henry L. Brocks, and the spectrule that took place, in my opinion was chamaful. Judge Brooks appeared to have a very bitter projudice and bins against Mr. Grubba, and in my opinion, sought to place him in the most emberrassing light he possibly could do. But, Mr. Grubbo was not to be intimidated by anyone. Fowever, the precoedings were not such as to clayate those who conducted it or to inspire a returning respect for the administration of justice in Louisville.

The exercise of power without the right to do so is the most corrupt and cowardly act we know of. To misuse public power to strike a litigant a foul blow from the Bench identifies a monstor that is made of treason and fear - sperson that is a dog in forehead, and as co-wardly as a deer. He thinks it is much safer his Court to go to rob a citizen than to try it on the street, you know. But sometimes, knowing what I do, I ask myself, Is it really safer?

The exhibits and letters that support this unusual proceeding show the terrible conditions and awful acts in Louisville that take place in the mass of justice.

Respectfully Submitted.

HILLAND D. GRNESS, 1427 South 6th Street, Louisville, Kentucky, voluntarily contacted the Louisville Office of the Federal Bureau of Investigation (FBI) and furnished the following information:

He is vigorously continuing in his long-time effort to see that he obtains justice regarding what he termed a long-time conspiracy of thirty years or more to keep him from being able to enforce his rights in Kentucky State Courts or in Federal Courts, which he said is a violation of Title 18, United States Code, Section 241. He is of the feeling that a group of individuals he classified as "Zionist Jews" initiated and are continuing this conspiracy against him. In connection with the alleged conspiracy, GRISES believes that judges of Kentucky State Courts, as well as Federal Courts have made erroneous opinions with respect to court actions in which GRUSES has been involved.

GRUMME stated that about two years ago he attempted to personally get before a Federal Grand Jury sitting in Louisville, Kentucky, for the purpose of having the grand jury investigate his complaint. On this occasion, he was not successful in getting before the grand jury as a Beputy United States Marshal would not permit him entrance as the grand jurors did not ask for GRUMME to appear before it. GRUMME on that occasion demanded to know from United States Attorney EMERRET W. RIVERS of Louisville, Kentucky, why GRUMME could not get before the grand jury; and according to GRUMME could not get before the grand jury; and according to GRUMME, RIVERS told GRUMMES that RIVERS had told the grand jury not to call GRUMMES.

SMITH reportedly asked that GRUEBS furnish SMITH a list of witnesses GRUEBS would like called before the grand jury in the event it does investigate GRUEBS' complaint. GRUEBS intends to furnish such a list of witnesses to SMITH.

GRUBBS further advised that he intends to request TOWNIK SMITH to have the Attorney General of the United States appoint a special attorney to handle the grand jury during the time GRUBBS' complaint is investigated.
